TERMS AND CONDITIONS: FIONA MCDONALD MAKES

We produce and supply handmade, bespoke products designed and made in accordance with an agreed specification including furniture, seating, mirrors and lighting.

7. Placing an Order

- 7.1 You can place an order for a bespoke product by visiting us in-store, at a trade exhibition, by email or by telephone. We will work with you to agree a specification of the product that you would like us to produce and provide you with a quotation for the cost of the product.
- 7.2 Any samples, drawings, illustrations, specifications or quotations that we may produce are produced for the sole purpose of giving an approximate idea of the goods we may supply and the estimated cost. They do not form part of the contract between us and they do not constitute an offer from us.
- 7.3 Once we have agreed on a specification for the product we will send you an invoice requesting a deposit of 50% of the purchase price. This deposit is non-refundable. It is your responsibility to ensure that the terms of your order and any applicable specifications are complete and accurate.
- 7.4 Once we have received your deposit, we will confirm acceptance of your order by providing you with a written confirmation by email that your order has been accepted, at which point the contract between us is formed. The contract between us will only be formed when we provide you with this confirmation email.

- 7.5 It is your responsibility to ensure that the terms of your order and any applicable specifications are complete and accurate.
- 7.6 We reserve the right to change our product's prices at any time without notice. The prices on our quotes and invoices are valid for 30 days.

8. Specification and Materials

- 8.1 The majority of our furniture is hand crafted, and as a consequence, all sizes are offered as a guide only.
- 8.2 There may be occasions when we need to make minor alterations to the design or specification of a product. We cannot accept these minor changes as faults. If the product is for a specific purpose please be sure to let us know before ordering to ensure we do not make any specific changes that could affect its material usage.
- 8.4 To the extent that we are producing a product that is a recreation of a drawing or image provided by you, we will endeavor to be as accurate as possible when producing the product, however we cannot guarantee that we will produce an exact reproduction.
- 8.5 Bespoke products produced by us are created and finished by hand. We can provide you with wood finish samples on request, but please be aware that these are offered as a guide only. Two pieces of wood are never the same and may vary considerably in character, gloss and tone. While we will endeavor to provide you with as close a match as possible, we cannot guarantee an exact match.
- 8.6 We suggest that if you are ordering two or more products that are intended for the same room, you order them together. This will give you the best chance of obtaining two products that are most closely matched in colour and finish.
- 8.7 Information relating to fabric quantities is set out on our website and is available on request. The quantities supplied are for a standard 137 cm wide fabric and are subject to a small fabric repeat. It will be your responsibility, or the responsibility of your supplier, to ensure that you supply the correct fabric and that the fabric is fit for purpose. You must also ensure that the fabric is supplied to us at the requested time, and you must pay the cost of delivering the fabric to us. We will not accept any liability for any flaw, imperfection or defect in a finished product

that has been caused as a result of us using defective materials supplied by you.

- 8.8 Certain materials that we use or that you supply to us are susceptible to damage from even light handling. As all our products are handmade, it is inevitable that we will handle all products. We do not accept responsibility for the condition of these materials when they are used to form part of your product.
- 8.9 All upholstery is done by hand using traditional techniques. If your bespoke product has a fabric element and you have a specific requirement regarding the division or junction of that fabric or if your product has buttoning detail and you have specific requirements about the layout of the buttons, it is important that you notify us of this during the ordering process. We will produce a detailed fabric scheme or technical drawing in line with your requirements, although please note you may be charged an additional cost for this. If you do not notify us of your specific requirements, all upholstery will be made at our discretion.

9. Lead Times

- 9.1 When you place an order for a bespoke product we will provide you with an approximate time-frame for when the goods will be available for delivery or collection. Once the goods are ready we will contact you to notify you that they are ready to be delivered and request payment of the balance of the purchase price (if we have not yet received this). Once we have received payment for the products in full, we will provide you with an approximate time-frame for delivery, or arrange for the product to be collected by you.
- 9.2 If our supply of a bespoke product is delayed by an event outside our control then we will notify you as soon as possible and we will take steps to minimise the effect of the delay. Provided we keep you informed of any likely delays, we will not be liable for any costs incurred by you as a result of these delays.

10. Your Right to Make Changes

If you wish to change your order for a bespoke product, please contact us to discuss. If we are able to accommodate your request, we will inform you of any increase cost to your order, any change to the lead time or any other relevant information. If

we cannot accommodate your request or the consequences of us making the change are unacceptable to you, you may wish to end the contract.

If you decide to end the contract you will not be entitled to receive a refund of your deposit. If you have paid more than your deposit, we may also deduct such sums from the price you have paid as reasonable compensation for the net costs we have incurred, as a result of performing our obligations under the contract.

11. Our Warranty

11.1 We warrant that for a period of six months from the date of delivery of a bespoke product from the Fiona Makes Collection, that product will:

- be free from material defects in design, material and workmanship;
- be of satisfactory quality; and
- be fit for any purpose held out by us.

11.2 Provided that:

- you give us notice in writing within a reasonable time of discovery that some or all of the products do not comply with the warranty set out above;
- we are given a reasonable opportunity to examine the products; and
- you return such products (upon our request) to our place of business at your cost or you arrange for us to collect such products at your cost,

we will either repair the defective products, or refund the price of the defective products in full. The decision to either repair the product or refund the price in full will be at our discretion.

11.3 We will not be liable for the product's failure to comply with the warranty in any of the following events:

- you continue to use the product after giving us notice that the product does not comply with the warranty;
- the defect arose because you failed to follow our oral or written instructions as to the use and maintenance of the products or (if there are none) good trade practice regarding the same;

- the defect arose as a result of us following any drawing, design or specification supplied by the you;
 - you alter or repair the product without our written consent; or
 - the defect arose as a result of fair wear and tear, wilful damage, negligence, abnormal storage or working conditions.
- 11.4 Except as provided in this warranty, we shall have no further liability to you in respect of a product's failure to comply with the warranty set out above.
- 11.5 For the avoidance of doubt, the warranty set out above does not apply to any Antique product or any ex-display product from the Fiona Makes Collection.

GENERAL TERMS

12. Wood Movement

The products supplied by us are made using a range of different types of wood and other materials. Products made from wood will often change in size throughout the year as a result of changes in temperature. This is normal and is caused by the moisture levels contained in the wood. It is your responsibility to ensure the products are stored in the correct conditions. We will not be liable for any changes in the size of our products due to wood movement and this is not covered by our warranty.

13. Payment and Prices

- 13.1 Payment for goods can be made over the phone by credit or debit card or by bank transfer (BACS). We will also accept payment by cheque, however please note we are unable to dispatch any products until your cheque has cleared. Please make your cheque payable to 'Fiona McDonald'.
- 13.2 All payments must be made to us in pounds sterling. If you are paying in a foreign currency, it is your responsibility to ensure that you have applied the correct conversion rate to meet the full purchase price in pounds sterling and that you have covered the cost of any associated bank or foreign currency exchange costs. We will not be responsible for any increase in the price as a result of a fluctuation in

currency exchange rates. Ownership of the products will not pass to you until we have received payment of the full purchase price.

14. Risk and Ownership

- 14.1 Ownership of the products will pass to you when we receive full payment of all sums due in respect of the products, including delivery charges.
- 14.2 A product will become your responsibility from the time we deliver the product to the address you gave us or you (or a third party selected by you) collects it from us.

15. VAT

- 15.1 We charge VAT on our Antique products in accordance with the VAT Margin Scheme. The price of an Antique product (which includes VAT) will be the price indicated on our invoice. We take all reasonable care to ensure that the price of the product advised to you is correct.
- 15.2 VAT will be charged on all products from the Fiona Makes Collection at the applicable rate at the time you place your order.
- 15.3 If you are based within the European Union you will not be required to pay VAT on any order provided you can produce a valid VAT number and a proof of export to an address within the European Union (if we are not arranging for the products to be delivered for you) within 3 months of the date of purchase.
- 15.4 If you are based outside of the European Union and you are exempt from paying VAT, you must provide us with your shipping documentation as evidence that the products have been delivered to the relevant destination, within 3 months of the date of purchase. If you fail to provide us with this documentation, you will be liable to pay the applicable amount of VAT on your order.

16. Access Checks

- 16.1 Before placing your order for any product, it is your responsibility to check and determine your ability to receive the product from us. This includes ensuring the products ordered will pass freely into your room of choice, will fit in the room, can be transported through the door, stairs and hallways and that there are no other

issues that could make delivery more complicated.

- 16.2 Depending on your location, we are available to visit you on-site to conduct an access check to ensure that your chosen products will pass freely into the building and room of choice. We are also available to offer advice on the suitability of the style and materials of our products. Please note there will be an additional charge for any on-site visit that we conduct.

- 17.1 If you are a retail customer based within central London, the cost of delivery of a product is included within the retail price that we have agreed for that product.
